12. Klik YES

13. Semak email UKM anda untuk mendapatkan nombor Token.

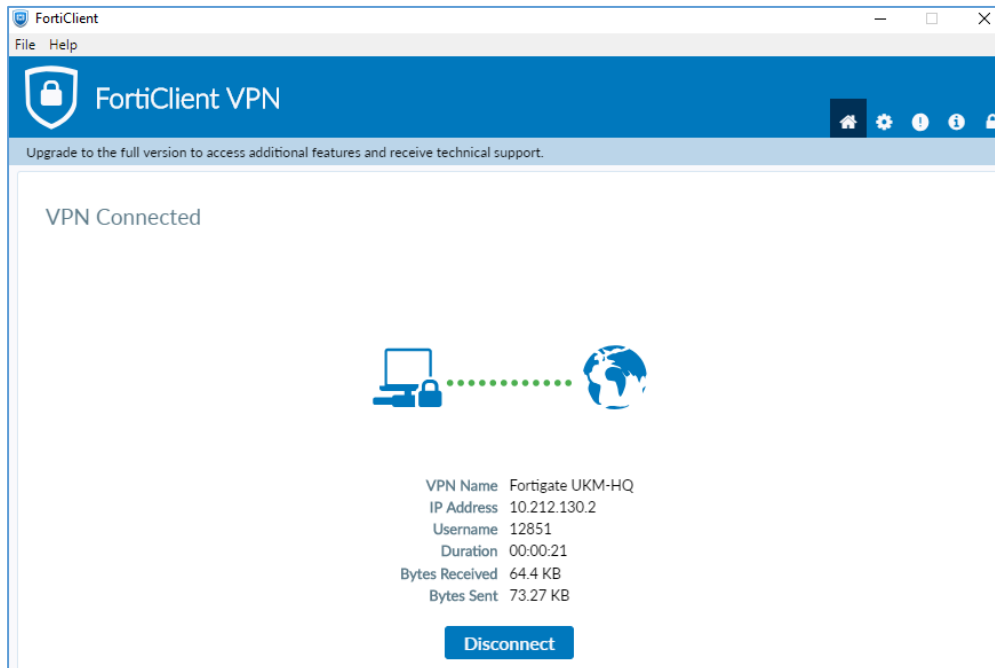

The image shows the FortiClient VPN login window. The title bar says "FortiClient" and the menu bar has "File" and "Help". The main header is "FortiClient VPN" with a shield icon. Below the header is a message: "Upgrade to the full version to access additional features and receive technical support." The main content area features a graphic of a globe with a laptop and a padlock icon. Below the graphic, a message states: "An email message containing a Token Code will be sent to <fixx@xxx.xxx.my> in a moment." The login fields are: "VPN Name" (dropdown menu showing "Fortigate UKM-HQ"), "Username" (text field with "fitri"), "Password" (text field with masked characters "*****"), and "Token" (empty text field). At the bottom are "OK" and "Cancel" buttons.

14. Masukkan nombor Token seperti yang diberikan.

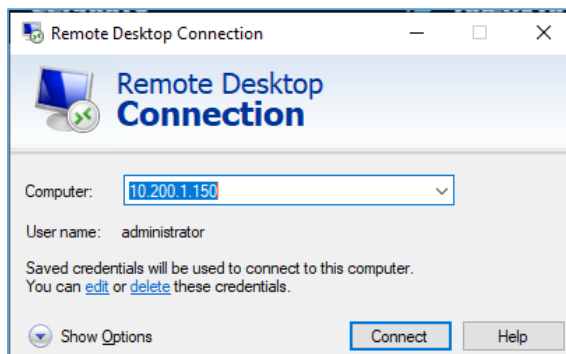

The image shows a notification bar from an email client. It has a "DoNotReply" button on the left. On the right, it displays the text: "AuthCode: 996272 - Your authentication token code is 996272."

15. Anda telah Berjaya masuk.

16. Kemudian buka perisian REMOTE DESKTOP anda dan login seperti biasa menggunakan USERNAME dan PASSWORD yang telah anda tetapkan pada komputer di pejabat anda.

Nota: Pastikan anda log keluar setelah tidak menggunakan VPN tersebut. Jangan berkongsi ID dan Katalaluan kepada sesiapa sahaja.
